You got me so turnt up

Doja..  
Know you want some of this purr  
You ain't gotta say a word  
Just spark that let's get burnt

Then we'll roll up  
A hunnit fuckin' blunts  
All up in my mouth  
Now Im all up in yo...

This nigga got pounds of it  
All up in his trunk  
Now we both look Asian  
He waving and I'm drunk

I got dank shit in my cup  
You know what Imma do you  
I can get real used to you  
Blow Weed X and we sipping on that juice (juice)  
That's just what we choose to do
