

# Empire

Dokken

I Stood Alone And Watched Below  
As They Burned Their Cities Down  
The Fire And The Rage I See  
A Prophet Never Found  
A Thousand Years- Still Nothing Learned  
The Prophets Speak Their Words  
Now Nothin Left  
But Ashes On The Ground  
What Will You Rule In The End  
A Burnin Empire  
Do You Believe When Blood Is Lost  
That It Justifies The Means?  
A Child Only Sees The Gun  
As The Trigger Of Disease

A Thousand Years Still Nothin Learned  
The Prophets Speak Their Words  
Now Nothing Left  
But Ashes On The Ground  
What Will You Rule In The End  
A Burnin Empire
