

From the Beginning

Dokken

It might have been things I missed
But don't be unkind
It don't mean I'm lying
When I think a thing or two
I think of lying in bed
I shouldn't have said
But there it is
You see it's all clear
You were meant to be here
>from the beginning
Maybe I might have changed
And not been so cruel
Not been such a fool
Whatever is done is done
I just can't recall
It doesn't matter at all
You see it's all clear
You were meant to be here
From the beginning
From the beginning
From the beginning
