## **Heart Full of Soul**

Sick at heart and lonely Deep in dark despair Thinking one thought only Where is she? Tell me where

And if she says to you She don't love me Just give her my message Tell her of my plea

That I know If she'd have me back again Well, I would never make her sad I got a heart full of soul

She's been gone such a long time Longer than I can bear But if she says she wants me Tell her that I'll be there

And if she says to you She don't love me Just give her my message Tell her of my plea

And I know Well if she'd have her back again Well, I would never make her sad I got a heart full of soul
