

Into the Fire

Dokken

You weave your spell, your eyes they beckon me
Your lips they speak, lies and misery
I know it's wrong, but I can't turn away
The flames draw near, they're telling me to stay

Into the fire I'm falling
Into the fire I'm falling
Into the fire, into the fire
Into the fire I'm falling, into the fire

Your love burns bright and yet the flames are cold
This time I fear you won't be back no more
When will it end, your love consumes my soul
Into the fire I'm being tempted once more

Into the fire I'm falling
Into the fire I'm falling
Into the fire, into the fire
Into the fire I'm falling

Take me back where I came back
Don't wanna see your face no more
You broke my heart now it's not the same
I'm falling again, I'm falling again

Into the fire, into the fire, into the fire
Into the fire, I'm falling again
Into the fire, into the fire I'm falling again

Into the fire I'm falling
Into the fire, into the fire, into the fire
I'm falling into the fire
