

## Sweet Life

Dokken

Take me along to a place I remember  
where all of my friends - now they're gone forever  
how they love the sweet life

I'm destined to run with the Holy  
I must wait  
dying inside ever slowly  
I'll be on my way

I saw the flame of the candle burning down so low  
I danced with my friends 'til they had to go  
my spirit stayed -give me no relief  
my spirit stayed -gave me no release  
how they loved the sweet life

I'm destined to run with the Holy  
I must wait  
dying inside ever slowly  
I'll be on my way

Sitting alone in a darkened room  
trail of smoke and warn out mind  
mister depression overstayed his welcome  
something inside took me away

Take me along to a place I remember  
all of my friends -thought I knew them better  
how they loved the sweet life
