I Heard The News Today  
That You Had Found The One  
It Said Your Happiness  
Was All But Said And Done  
Your Secret Was Revealed  
That's How They Won Your Heart  
A Room Of Pearls And Jewels  
Was Only Just The Start  
Now I Realize  
I've Walked This Road Before  
Never To Return  
Don't Need You Anymore  
Tonight When I Close My Eyes  
Will I See You Anymore  
And I Will Keep These Memories Alive  
When I Close My Eyes Tonight  
The Song You Sing It Rings Or Truth To Idol Eyes  
The Game You Play Is Hidden Deep Within Your Eyes  
Your Gentle Lips A Poison Kiss Brought Kingdoms Down  
And Now You Sit Upon Your Throne From Underground  
Now I Realize  
I've Walked This Road Before  
Never To Return  
Don't Need You Anymore  
Tonight When I Close My Eyes  
Will I See You Anymore  
And I Will Keep These Memories Alive  
When I Close My Eyes Tonight
