

# Waterfall

Dokken

Tried To Shake The Addiction  
My Disease And Affliction  
The Doors Been Wide Open  
Trapped Inside My Own Self  
I Feel Like I'm Fallin Again  
To-Wards That Cold Rivers Edge  
Is It Too Late Will I Go  
Over The Waterfall  
Never Tried To Forsake You  
Be A Jester Or A Muse  
Only Wanted Just To Touch You  
Now My Feelings Are Confused  
It's Hard To Change How I Feel  
This Kind Of Love Is Surreal  
Your Eyes Say You Want To Break Free  
From All Those Past Memories  
I Feel Like I'm Fallin Again  
To-Wards That Cold Rivers Edge  
Is It To Late Will I Go  
Over The Water Fall
