

Assume The Position

Dolla

Baby turn around, round, round
Spread them legs wide, wide, wide
Put your hands over your head
Finna be a long night, night, night
Assume the position, position, position
Assume the position, position, position
Assume the position, position, position
Assume the position, position, position

Assume the position
I know so many position
Every night with me is different
I set fire to your ignition
You start it I'm a finish
I know how to handle women
Step into my room and let me give that ass a whopping
Haha
I be turning them and flipping them
Licking them and sticking them
Biting them and kissing them
Come here muah!
Yup
She miss me when I'm gone
Let me peel your out that thong
Shawty call me Mr. Right because I never fuck her wrong

Baby turn around, round, round
Spread them legs wide, wide, wide
Put your hands over your head
Finna be a long night, night, night
Assume the position, position, position
Assume the position, position, position
Assume the position, position, position
Assume the position, position, position

She call me dolla long dick
I'm so easy to get along with
So she only fuck dolla
Them niggas don't make sense
When I talk shit she talking back
Throw it then she throw it back
Who pussy this? this pussy yours
You probably hear her saying that
And I'm so attack
Skratches on my neck and back
Welcome to my neighborhood
Pull it to my coredisachIn the car, in the bed, on the floor, on the kitchen
table
Where ever you like it
Let's go

Baby turn around, round, round
Spread them legs wide, wide, wide
Put your hands over your head
Finna be a long night, night, night
Assume the position, position, position
Assume the position, position, position

Assume the position, position, position
Assume the position, position, position

I be your old man babe
That's our favorite jam babe
Turn it up I bet I fuck you till you can't stand babe
R. Kelly 12 play we to another lab babe
You's a superstar and I'm your number one fan
I'm saying
I fuck em then I leave em
Treat em like I don't need em
Beat em and never feed em
She only swallow the semen
She always holler and scream
She say it feel like she dreaming
Dolla daddy dick
I keep her calling and feelin'

Baby turn around, round, round
Spread them legs wide, wide, wide
Put your hands over your head
Finna be a long night, night, night
Assume the position, position, position
Assume the position, position, position
Assume the position, position, position
Assume the position, position, position
