

# Who Were You With In The Moonlight

Dollar

David Courtney)

Who were you with in the moonlight  
Who was it holding you so tight  
Who were you with my love  
Repeat

Making me so sad  
Making me so sad (so so sad)  
Making me so sad

You say you don't belong to me  
I can't help feeling you're mine  
I wanna feel you close to me baby  
You say you aint got the time  
Why are you hurting me baby  
Why do you treat me so bad  
You're just a run-around lover  
Though I gave you everything I had  
Yes I gave you everything I had

Who were you with in the moonlight  
Who was it holding you so tight  
Who were you with my love  
Repeat

Who were you with in the moonlight  
Who was it holding you so tight  
Who were you with in the moonlight baby  
Making me so sad (making me sad)  
Making me so sad (so so sad)  
Making me so sad

Though I gave you everything I had  
Yes I gave you everything I had

Who were you with in the moonlight  
Who was it holding you so tight  
Who were you with who were you with  
Who were you with in the moonlight  
Who was it holding you so tight  
Who were you with in the moonlight baby  
Who were you with in the moonlight  
Who was it holding you so tight  
Who were you with my love

Making me so sad  
Making me so sad  
Making me so sad

Who were you with in the moonlight  
Who was it holding you so tight  
Who were you with in the moonlight  
Who was it holding you so tight  
Who were you with in the moonlight baby  
Who were you with in the moonlight  
Who was it holding you so tight
