

A Little Bit Slow to Catch On

Dolly Parton

I'm a little bit slow to catch on when I do I'm caught on
A little bit slow to move on but your baby is movin' on on your
baby is movin' on

Well I couldn't see the light for the brightness
Or the sweet little smile that you gave me
I couldn't see how you were cheatin' on me
But finally I'm a catchin' on on finally I'm a catchin' on
I'm a little bit slow...

I couldn't see the hurt for the happy and at first that's the w
ay you made me
It took me a while to get your style
But finally I'm a catchin' on on finally I'm a catchin' on
I'm a little bit slow...

You say you can't see the light for the darkness that surrounds
you since I'm gone
You can't even sleep cause you're lonely
Well finally you're a catchin' on on finally you're a catchin'
on
I'm a little bit slow...
I'm a little bit slow...
