

## After the Gold Rush

Dolly Parton

Well I dreamed I saw the knights in armor coming  
Saying something about a queen  
There were peasants singing and drummers drumming  
And the archer split the tree

There was a fanfare blowing to the sun  
That was floating on the breeze  
Look at Mother Nature on the run  
In the Twentieth Century  
Look at Mother Nature on the run  
In the Twentieth Century

I was lying in a burned out basement

With the full moon in my eye  
I was hoping for replacement  
When the sun burst through the sky

There was a band playing in my head  
And I felt like I could cry  
I was thinking about what a friend had said  
I was hoping it was a lie  
Thinking about what a friend had said  
I was hoping it was a lie

I dreamed I saw the silver spaceships flying  
In the yellow haze of the sun  
There was children crying and colors flying  
All around the chosen ones

All in a dream, all in a dream, the loading had begun  
Flying Mother Nature's silver seed to a new home in the  
sun  
Flying Mother Nature's silver seed to a new home
