After the Gold Rush

Dolly Parton

Well I dreamed I saw the knights in armor coming Saying something about a queen There were peasants singing and drummers drumming And the archer split the tree

There was a fanfare blowing to the sun That was floating on the breeze Look at Mother Nature on the run In the Twentieth Century Look at Mother Nature on the run In the Twentieth Century

I was lying in a burned out basement

With the full moon in my eye
I was hoping for replacement
When the sun burst through the sky

There was a band playing in my head
And I felt like I could cry
I was thinking about what a friend had said
I was hoping it was a lie
Thinking about what a friend had said
I was hoping it was a lie

I dreamed I saw the silver spaceships flying In the yellow haze of the sun There was cihldren crying and colors flying All around the chosen ones

All in a dream, all in a dream, the loading had begun Flying Mother Nature's silver seed to a new home in the sun Flying Mother Nature's silver seed to a new home
