

But You Know I Love You

Dolly Parton

When the mornin sun
Streaks across my room
And Im wakin up
From another dream of you
Yes, you know Im on the road
Once again it seems
All that's left behind
Is a chain of broken dreams
But you know that I love you
You know that I love you
Oh, I love you
And how I wish that love
Was all wed need to live
What a life wed have
Cause Ive got so much to give
But ya know I feel so sad
Down inside my heart
That the dollar sign
Should be keepin us apart
But you know that I love you
You know that I love you
Oh, how I love you
And if only I could find my way back to the time
When the problems of this life
Had not yet crossed my mind
And the answers could be found in childrens nursery rhymes
Id come runnin back to you
Id come runnin back to you
Mmmmm

But you know we cant
Live on dreams alone
Got to pay the rent
So I must leave you all alone
Cause you know I made my choice many years ago
And now this travelin life
Well, it's the only life I know
But you know that I love you
You know that I love you
Oh, I love you
But you know that I love you
You know that I love you
Oh, how I love you
But you know that I love you
You know that I love you
Oh, how I love you

But you know I love you
But you know I love you
Oh, I love you
But you know that I love you
But you know that I love you
Oh, how I love you
But you know that I love you
But you know that I love you
Oh, how I love you
