

# Fool For Your Love

Dolly Parton

Ooh, but love was just so hard to find  
Till you came along into my life  
And then I thought I would lose my mind  
When you said that you wanted to be mine

And ever since that day I've been hooked  
Nothing can turn me away  
This living with you is like a dream come true  
And it grows more and more everyday

Ooh, I'm reaching the highest of highs  
Everytime I look into your eyes  
You ask how I feel  
I can say it out loud  
I feel like a million inside

And I never thought this could happen to me  
You got me just where you want me baby  
And for your love I would do anything  
Every night I'm a fool for your love

I'm a fool for your love  
I'm a fool for your love  
I'm just a fool for your love  
I'm a fool and can't get enough

Driving home from this sleepy old town  
When my day's work is all through  
The sun and the lights, well I wish I could fly  
To get back faster to you

I waited all day by the telephone  
Staring at the clock on the wall  
The hours are so long when you're free from my arms  
And I just can't wait to hold you

I'm a fool for your love  
I'm a fool for your love  
I'm just a fool for your love  
I'm a fool and can't get enough

Ooh, you're giving me chills up my spine  
I'm feeling so fine, going out of my mind  
And I don't care if it never stops  
I love you right up until I drop, you know

I'm a fool for your love  
I'm a fool for your love  
I'm just a fool for your love  
I'm a fool and can't get enough

Cause I'm a fool for your love  
I'm a fool, I'm a fool, I'm a fool for your love  
I'm a fool for your love  
I'm a fool and can't get enough

Cause I'm a fool for your love

I'm a fool for your love
