

For the Good Times

Dolly Parton

Don't look so sad I know it's over
But life goes on and this old world will keep on turning
Let's just be glad we had some time to spend together
There's no need to watch the bridges that were burning

Lay your head upon my pillow
Hold your warm and tender body close to mine
Hear the whisper of the rain drops
Blowing soft against the window
And make believe you love me one more time
For the good times

I'll get along and you'll find another
And I'll be here if you should find you ever need
Don't say a word about tomorrow or forever
They'll be time enough for sadness when you leave me

Lay your head upon my pillow
Hold your warm and tender body close to mine
Hear the whisper of the rain drops
Blowing soft against the window
And make believe you love me one more time
For the good times

For the good times
For the good times
