

## For the Good Times

Dolly Parton

Don't look so sad I know it's over  
But life goes on and this old world will keep on turning  
Let's just be glad we had some time to spend together  
There's no need to watch the bridges that were burning

Lay your head upon my pillow  
Hold your warm and tender body close to mine  
Hear the whisper of the rain drops  
Blowing soft against the window  
And make believe you love me one more time  
For the good times

I'll get along and you'll find another  
And I'll be here if you should find you ever need  
Don't say a word about tomorrow or forever  
They'll be time enough for sadness when you leave me

Lay your head upon my pillow  
Hold your warm and tender body close to mine  
Hear the whisper of the rain drops  
Blowing soft against the window  
And make believe you love me one more time  
For the good times

For the good times
