

# Great Balls of Fire

Dolly Parton

You shake my nerves and you rattle my brain  
Too much love can drive a girl insane  
You broke my will but ooh what a thrill  
Goodness gracious great balls of fire

I like that love cause I thought it was funny  
You came along and you move me honey  
I change my mind this love is fine  
Goodness gracious great balls of fire

Ooh kiss me baby ooh it feels good  
Ah hold me hold me I would love to love you like a lover should  
Cause you're fine and so kind  
I tell this world that you're mine mine mine mine

I chew my nails and I twiddle my thumbs  
I'm real nervous but it sure is fun  
You broke my will but I love you still  
And goodness gracious great balls of fire  
[ guitar ]  
Ooh kiss my baby ooh it feels good ooh hold me  
Baby you ought to love me like a lover should  
Cause you're fine and so kind  
I tell this world that you're mine mine mine mine

I love that you love cause I thought it was funny  
You came along and you move me honey  
I change my mind this love is sure fine  
Goodness gracious great balls of fire  
[ piano ]  
Kiss me baby ooh it feels good  
Ooh hold me hold me you ought to love me like a lover should  
Cause you're fine and so kind
