

Halos and Horns

Dolly Parton

Halos and horns, sinners and saints,
Hearts that are torn between what's wrong and ain't
Just because it feels right does not make it so
So we struggle through life in horns and halos

Tempted and tried with each step we take
We stumble and slide and make our mistakes,
Ask God to forgive us for all of our sins,
Then we take off our horns and wear halos again

Halos and horns, sinners and saints,
Hearts that are torn between what's wrong and ain't
Just because it feels right does not make it so
So we struggle through life in horns and halos

Halos and horns, sinners and saints,
We're praised or we're scorned, we either run or we faint
Oh, but life is a challenge from the day that we're born
Just tryin' to balance halos and horns
It's heaven or hell, halos or horns

Halos and horns, sinners and saints,
Hearts that are torn between what's wrong and ain't
But just because it feels right
