In my mind I've made love to you often but only in my mind can it be so

Cause there's someone at home that's countin' on me

And if I did I'm sure that he would know

Yes he would know yes he could tell

For he has loved me long enough to know me very well

And if I lie he sees it in my eyes I know my guilt would show a nd he would know

But I must admit you're someone very special and it would be so easy to let go

Making love to you could be so easy but if I did I'm sure that he would know

Yes he would know...

My conscience just won't let me make love to you

I know it would be sweet but I just can't

When I go home to him I must be able to look him in the eyes an d say I ain't

Cause he would know...
