

Higher And Higher

Dolly Parton

Than I've ever been lifted before
So keep it up, quench my desire
And I'll be at your side forevermore

Your love keeps lifting me, keeps right on lifting me
Higher, higher and higher (higher)
I said your love keeps lifting me, HIGHER,
keeps right on lifting me
Higher, higher and higher

Now once I was downhearted
Disappointment was my closest friend
But when you came, he soon departed
And he never showed his face again

Than I've ever been lifted before
So keep it up, quench my desire
And I'll be at your side forevermore

I'm so glad I finally found you
Yes that one in a million girl
And now with my loving arms around you
I can stand up and face the world

Than I've ever been lifted before
So keep it up, quench my desire
And I'll be at your side forevermore
