

# I Wish I Felt This Way at Home

Dolly Parton

If I, could be with you forever  
My restless heart  
Would never want to roam

I've never been loved  
The way you love me

I wish I felt this way at home  
When you kiss me  
It's words without speaking  
And I don't believe that  
God would call this wrong  
Your arms are the refuge  
I was seeking

I wish I felt this way at home

But I don't, and I won't  
We did all that we could

He and I  
We tried hard  
But it's just no good  
I may never be free  
Cause I've no reason  
And I don't expect you to wait that long  
But I'll say one more time

As I'm leavin'

I wish I felt this way at home

Yes, I wish I felt this way at home
