

# If I Had Wings

Dolly Parton

If I had wings I would fly away from  
All my troubles, all my thing  
And I would fly to a place of comfort  
Heaven knows I need a change  
If I had wings, Lord give me wings

Oh, I've had my share  
Walked alone, alone to road  
I could use a new tomorrow  
If I had wings I'd make it so  
One cannot predict the future  
One cannot undo the past  
But we can make the present useful  
Build the future that will last

If I had wings I'd fly away from  
All of my troubles, all of my wounds  
And I would fly 'till I found freedom  
If I had wings I'd up and go home  
If I had wings, Lord give me wings

If I had wings I'd fly away from  
All of my troubles, all of my wounds  
And I would fly 'till I found freedom  
If I had wings I'd up and go home  
If I had wings, Lord give me wings

If I had wings, oh, if I had wings  
If I had wings, oh Lord, just give me wings  
If I had wings, if I had wings I'd make a change  
If I had wings, if I had wings

If I had wings, if I had wings
