

# It's My Time

Dolly Parton

It's my time  
Gather round girls  
You I grew up with  
My old friends that I used to scuff with  
Need you round me  
At this time  
You've all had your turn to cry  
An old friend stood closely by  
Friends of mine  
Stand by me  
'Cause it's my time  
It's my time  
It's my time  
It's my time to cry  
Mm mm mmm  
It's my time to cry  
Oh oh oh oh  
It's my turn to cry yeah  
It's my time

Gather round boys  
I used to play house with  
Come here boys  
I first kissed on the mouth with  
Need your tender words so kind  
You've all had your misty eyes  
An old friend stood by to dry  
Friends of mine  
Stand by me  
'Cause it's my time

It's my time  
It's my time  
It's my time to cry  
Whoa whoa  
It's my time to cry yeah  
It's my turn to cry mmm

It's my time  
It's my time  
It's my time to cry mmmm
