

## It's Not My Affair Anymore

Dolly Parton

I never knew what this could do seeing another woman with you  
but i can't stay  
Here 'cause i would never get over you baby that would do i got  
ta get loose  
Somebody take me out of this place keep my eyes from seeing you  
r face 'cause  
You love her where you once love me darling i can't believe it'  
s true oh no.

It's not my affair anymore you're no my man to care for it's no  
t my affair  
Anymore i'll close the door

So many things we've lefted unsaid so many questions in my head  
well i never  
Lock the back door ooh and somehow you keep slipping on in taki  
ng me back once  
Again to a memory trail like a shadow from a feeling and it jus  
t grow don't i  
Know

It's not my affair anymore you're no my man to care for it's no  
t my affair  
Anymore i'll close the door

Remember all of the laughter remember ooh the morning laughter  
remember  
Moonlight the candle the shady light remember and it seen so ri  
ght.

It's not my affair anymore you're no my man to care for it's no  
t my affair  
Anymore i'll close the door

Remember moonlight the candle light the shady light remember oo  
h and it seen so right.

It's not my affair anymore you're no my man to care for it's no  
t my affair  
Anymore i'll close the door

It's not my affair anymore.
