

Jesus & Gravity

Dolly Parton

I'm to the point where it don't add up
I can't say I've come this far with my guitar on pure dumb luck
That's not to say I know it all
'Cause everytime I get too high up on my horse I fall

'Cause I've got
Somethin' lifting me up
Somethin' holding me down
Somethin' to give me wings and
Somethin' to keep my feet on the ground
I've got all I need,
Jesus and gravity

But I'm as bad as anyone
Taking all these blessings in my life for granted one by one
When I start to thinkin' it's all me
Well somethin' comes along and knocks me right back on my knees
And I've got

Somethin' lifting me up
Somethin' holding me down
Somethin' to give me wings and
Somethin' to keep my feet on the ground
I've got all I need, Jesus and gravity

He's my friend
He's my light
He's my wings
He's my?

And I've got
Somethin' lifting me up
Somethin' holding me down
Somethin' to give me wings and
Somethin' to keep my feet on the ground
I've got all I'm gonna need,
I got Jesus, I got Jesus, I got

Somethin' lifting me up
Somethin' holding me down
Somethin' to give me wings and
Somethin' to keep my feet on the ground
I've got all I'll ever need,
Cause I got Jesus and gravity

Somethin' lifting me up
Somethin' holding me down
Somethin' to give me wings and
Somethin' to keep my feet on the ground
I've got all I'll need
Cause I've got Jesus and gravity

Jesus, I've got Jesus, I've got Jesus
He's my everything
He lifts me up
He gives me wings
He gives me hope

And He gives me strength
And that's all I'll ever need

As long as He keeps lifting me up
He is my life
He is my God
He is my wings
He is my flight
Lift me, I've got Jesus, I've got Jesus
And that's all I need
