

# Jesus & Gravity

Dolly Parton

I'm to the point where it don't add up  
I can't say I've come this far with my guitar on pure dumb luck  
That's not to say I know it all  
'Cause everytime I get too high up on my horse I fall

'Cause I've got  
Somethin' lifting me up  
Somethin' holding me down  
Somethin' to give me wings and  
Somethin' to keep my feet on the ground  
I've got all I need,  
Jesus and gravity

But I'm as bad as anyone  
Taking all these blessings in my life for granted one by one  
When I start to thinkin' it's all me  
Well somethin' comes along and knocks me right back on my knees  
And I've got

Somethin' lifting me up  
Somethin' holding me down  
Somethin' to give me wings and  
Somethin' to keep my feet on the ground  
I've got all I need, Jesus and gravity

He's my friend  
He's my light  
He's my wings  
He's my?

And I've got  
Somethin' lifting me up  
Somethin' holding me down  
Somethin' to give me wings and  
Somethin' to keep my feet on the ground  
I've got all I'm gonna need,  
I got Jesus, I got Jesus, I got

Somethin' lifting me up  
Somethin' holding me down  
Somethin' to give me wings and  
Somethin' to keep my feet on the ground  
I've got all I'll ever need,  
Cause I got Jesus and gravity

Somethin' lifting me up  
Somethin' holding me down  
Somethin' to give me wings and  
Somethin' to keep my feet on the ground  
I've got all I'll need  
Cause I've got Jesus and gravity

Jesus, I've got Jesus, I've got Jesus  
He's my everything  
He lifts me up  
He gives me wings  
He gives me hope

And He gives me strength  
And that's all I'll ever need

As long as He keeps lifting me up  
He is my life  
He is my God  
He is my wings  
He is my flight  
Lift me, I've got Jesus, I've got Jesus  
And that's all I need
