

Light of a Clear Blue Morning

Dolly Parton

Its been a long dark night
And Ive been a waitin for the morning
Its been a long hard fight
But I see a brand new day a dawning
Ive been looking for the sunshine
Cause I aint seen it in so long
But everythings gonna work out just fine
Everythings gonna be all right
That's been all wrong

Cause I can see the light of a clear blue morning
I can see the light of a brand new day
I can see the light of a clear blue morning
And everythings gonna be all right
Its gonna be okay

Its been a long long time
Since Ive known the taste of freedom
And those clinging vines
That had me bound, well I don't need em

Cause I am strong and I can prove it
And I got my dreams to see me through
Its just a mountain, I can move it
And with faith enough there's nothing I can't do

And I can see the light of a clear blue morning
And I can see the light of brand new day
I can see the light of a clear blue morning
And everythings gonna be all right
Its gonna be okay

I can see the light of a clear blue morning
I can see the light of a brand new day
Yes I can see the light of a clear blue morning
And everythings gonna be all right
Everythings gonna be all right
Everythings gonna be all right

Its gonna be okay

Cause I can see the light of a clear blue morning
I can see the light of a clear blue morning
Yes I can see the light of a clear blue morning
Everythings gonna be all right
Its gonna be okay

I can see the light
I can see the light

Its gonna be all right
Its gonna be all right
