

## Me and Little Andy

Dolly Parton

Late one cold and stormy night I heard a dog a' barkin'  
Then I thought I heard somebody at my door a' knockin'  
I wondered who could be outside in such an awful storm  
Then I saw a little girl with a puppy in her arms  
Before I could say a word she said, 'My name is Sandy  
And this here is my puppy dog, it's name is little Andy'  
Standing in the bitter cold in just a ragged dress  
Then I asked her to come in and this is what she said

Ain't ya got no gingerbread  
Ain't ya got no candy  
Ain't ya got an extra bed for me and little Andy  
Patty cake and bakersman  
My mommy ran away again  
And we was all alone and didn't know what else to do  
I wonder if you'll let us stay with you

Giddy up trotty horse, going to the mill  
Can we stay all night  
If you don't love us no one will  
I promise we won't cry  
London bridge is fallin' down  
My daddy's drunk again in town  
And we was all alone and didn't what we could do  
I wonder if you'll let us stay with you

She was just a little girl, not more than six or seven  
But that night as they slept the angels took them both to heave  
n  
God knew little Andy would be lonesome with her gone  
Now Sandy and her puppy dog won't ever be alone

Ain't ya got no gingerbread  
Ain't ya got no candy  
Ain't ya got an extra bed for me and little (whispers) Andy
