

## Never Not Love You

Dolly Parton

I may not climb that Everest  
Win praise in others' eyes  
I may not win the lottery  
Win the Pulitzer Prize  
I may not sail the ocean  
In a blown apart canoe  
But I will never, never not love you

I might not be in fashion  
Might not be all that smart  
Might not be that good lookin'  
Not someone set apart

Might not stand in the spotlight  
That shines upon the pew  
But I will never, never not love you

I will never not  
Light up when I see you  
I will never not  
Feel you through and through  
There are many things  
I may or may not do  
But I will never, never not love you

I may not offer riches  
Or make a bed to do  
I may not give you many things  
That you're accustomed to  
I may not be worthy of you  
I just hope my love will  
Cause I will never, never not love you

No matter where you are  
No matter what you do  
I will not be caught  
Not loving you

May not set world records  
But I can promise you  
That I will never, never not love  
You

No I will never, never not love you
