

No Good Way of Saying Good-Bye

Dolly Parton

The truth is too painful
This moment too real
Saying good-bye
But loving you still
Too late to start over
We've tried that before
And I just don't have it in me
To try anymore

But I know I'll miss you
And I know I'll cry
I know you loved me
And I know you've tried
It's the hardest thing
I'll ever do in my life
But I know no good way
Of saying good-bye

I know I'll miss you
And I know I'll cry
I know you loved me
And I know I'll ask why
I know I'll have moments
When I'll want to die
But I know no good way
Of saying good-bye

And the longest night
I'll ever spend will be tonight
'Cause I know no good way of saying
