

Potential New Boyfriend

Dolly Parton

Got my eye on a boy
He's eyeing me back
It's looking real good
This could be it
And I know that all of you girls
Would love to steal him away

He bought me a drink
I thanked him real sweet
It's always so nice when you first meet
And I know that all of you women would love to steal him away
So I'm warning you

Better keep your hands off my
Better keep your hands off my
Better keep your hands off my potential new boyfriend
Building up an appetite
You can look but you can't buy
Better keep your hands off my potential new boyfriend

Pretty as a picture
Comin' on so strong
He's twisting my ignition key
Turn my motor on
But anyone can see, all his attention's on me
Give us some privacy

Better keep your hands off my
Better keep your hands off my
Better keep your hands off my potential new boyfriend
Better keep your hands off my
It's a welcome turn to try
Better keep your hands off my potential new boyfriend

Leave us alone tonight
Then if it don't work out right
He's all your's
Until then

Better keep your hands off my
Better keep your hands off my
Better keep your hands off my potential new boyfriend
They keep crowdin' in on me
He smiles rather unsuspiciously
Better keep your hands off my potential new boyfriend

Better keep your hands off my
Better keep your hands off my
Better keep your hands off my potential new boyfriend
Building up an appetite
You can look but you can't buy
Better keep your hands off my potential new boyfriend
