

## River of Happiness

Dolly Parton

Somewhere a river of happiness flows  
We'll sit on its banks while the warm breezes blow  
Somewhere there's a garden where only love grows  
Somewhere a river of happiness flows

Dry your eyes, don't cry no more  
We'll find a place where there's laughter and joy  
So take my hand and don't let go  
Come with me and together we'll go

Somewhere a river of happiness flows  
We'll sit on its banks while the warm breezes blow  
Somewhere there's a garden where only love grows  
Somewhere a river of happiness flows

We'll walk in the sunshine  
We'll laugh and we'll sing  
And dance to the tune that our happiness brings  
Come go with me to this place I speak of  
Together, we'll find it, this place is called love

Somewhere a river of happiness flows  
We'll sit on its banks while the warm breezes blow  
Somewhere there's a garden where only love grows  
Somewhere a river of happiness flows

Somewhere a river of happiness flows
