

# Shine

Dolly Parton

Gimme a word, gimme a sign  
Show me where to look  
And tell me what will I find  
What will I find  
Lay me on the ground  
Fly me in the sky  
Show me where to look  
And tell me what will I find  
What will I find

Yeah, oh  
Heaven let your light shine down, ohh  
Heaven let your light shine down, ohh  
Heaven let your light shine down, ohh  
Heaven let your light shine

Love is in the water  
Love is in the air  
Show me where to go  
And tell me will love be there  
Will love be there  
Teach me how to speak  
Teach me how to share  
Teach me where to go  
And tell me will love be there  
Will love be there

Yeah, oh  
Heaven let your light shine down, ohh  
Heaven let your light shine down, ohh  
Heaven let your light shine down, ohh  
Heaven let your light shine

Gimme a word, gimme a sign  
Show me where to look  
And tell me what will I find  
What will I find  
Lord, teach me how to speak  
Teach me how to share  
Teach me where to go  
And tell me will love be there  
Will love be there

Yeah, oh  
Heaven let your light shine down, ohh  
Heaven let your light shine down, ohh  
Heaven let your light shine down, ohh  
Heaven let your light shine

Oh, heaven let your light shine down  
Let it shine, let it shine, let it shine  
Heaven let your light shine down  
Let it shine  
Heaven let your light shine down  
Shine, heaven let your light shine down  
Heaven let your light shine down

Shine, shine  
Just gimme a word  
Gimme a sign, shine  
Let it shine, let it shine  
Teach me how to share  
Teach me where to go  
Tell me will love be there, shine
