

# Something's Burning

Dolly Parton

You lie in gentle sleep beside me  
I hear your warm and rhythmic breathing  
I take your hand and hold it tightly  
Listen, can you not hear our young heart's beating

I kiss the sleep from your eyes  
Your smile is sweeter than the morning  
And here it comes, can't you feel it, baby  
Can't you feel it, here it comes  
Feel it, feel it, fire, fire  
Something's burning, something's burning  
Something's burning, and I think it's love

And now the sun is burning brightly  
We lie in love so close together  
And I get the feeling deep inside me  
My love for you will burn forever

I cup my hands to touch your face  
Once again I feel your fire  
And here it comes, can't you feel it, baby  
Can't you feel it, here it comes  
Feel it, feel it, fire, fire  
Something's burning, something's burning  
Something's burning, and I think it's love

I think it's love, I think it's love  
I think it's love, I think it's love  
Can't you feel, the fire keeps burning  
Can't you feel, the fire keeps burning  
Can't you feel, the fire keeps burning love
