

# Stairway to Heaven

Dolly Parton

There's a lady who's sure all that glitters is gold  
And she's buying a stairway to heaven  
When she gets there she knows if the stores are all closed  
With a word she can get what she came for  
Oh oh a stairway to heaven

There's a sign on the wall but she wants to be sure  
Cause you know sometimes words have two meanings  
In a tree by the brook there's a songbird who sings  
Sometimes all of our thoughts are misgiven  
Oh oh it makes me wonder oh oh oh really really wonder

There's a feeling I get when I look to the west  
And my spirit is crying for leaving  
In my thoughts I have seen rings of smoke through the trees  
And the voices of those who stand looking

And it's whispered that soon if we all call tune  
Then the piper will lead us to reason  
And a new day will dawn for those who stand long  
And the forests will echo with laughter

If there's a bustle in your hedgerow don't be alarmed now  
It's just a spring clean for the May queen  
Yes there are two paths you can go by but in the long run  
There's still time to change the road your own  
And it makes me wonder

Your head is humming and it won't go in case you don't know  
The piper's calling you to join him  
Oh can you hear the wind blow  
And did you know your stairway lies on the whispering wind  
Stairway to heaven stairway to heaven

You can't buy it you can't borrow  
You've got to walk it straight and narrow  
Stairway to heaven stairway to heaven stairway to heaven

And as we walk on down the road our shadows longer than our souls  
All that glitters is not gold wanna be a rock and not a roll  
Oh the great almighty dollar leaves you lonely lost and hollow  
You can't fool yourself forever you gotta work to get to heaven  
Stairway to heaven

If we listen and hold fast to every question that we asked  
The truth will come to us at last and she's buying a stairway to heaven
