

## Tall Man

Dolly Parton

Oh I wish I was a kissin' tree a growin' in the ground  
And every time my sweet pass by I'd throw some kisses down  
And if he wants more kisses here's all he has to do  
Just come up here that kissin' tree and I'll give him some kiss  
in' to  
I love a tall man he ain't a small man my man is all man and th  
e only man for me  
Now I wish I was a kissin' tree out on the lone prairie  
And everytime my sweet pass by he'd steal a kiss from me  
And if he wants more kisses here's all he has to know  
Just plant me down in a Texas town and watch them kisses grow  
I love a tall man he ain't a small man my man is all man and th  
e only man for me  
And the only one for me ooh
