

# The Grass is Blue

Dolly Parton

I've had to think up a way to survive  
Since you said it's over  
Told me good-bye  
I just can't make it one day without you  
Unless I pretend that the opposite's true

Rivers flow backwards  
Valleys are high  
Mountains are level  
Truth is alive  
I'm perfectly fine  
And I don't miss you  
The sky is green  
And the grass is blue

How much can a heart and a troubled mind take  
Where is that fine line before it all breaks  
Can one end their sorrow  
Just cross over it  
And into that realm of insatiable bliss

There's snow in the tropics  
There's ice on the sun  
It's hot in the Arctic  
And crying is fun  
And I'm happy now  
And I'm glad we're through  
And the sky is green  
And the grass is blue

And the rivers flow backwards  
And my tears are dry  
Swans hate the water  
And eagles can't fly  
But I'm alright now  
Now that I'm over you  
And the sky is green  
And the grass is blue  
And I don't love you  
And the grass is blue
