

# The Tracks of My Tears

Dolly Parton

Now, people say I'm the life of the party  
'cause I'll tell a joke or two.  
Although I might be laughin' loud and hearty,  
Deep down inside I'm blue.  
So take a good look at my face  
You'll see my smile looks out of place.  
If you'll look closer,  
It's easy to trace the tracks of my tears.

I need you, need you.  
But since you left me if you see me with another guy,  
Seemin' like I'm havin' fun.  
He might look good it's true  
But he's a substitute 'cause you were the perfect one.

So take a good look at my face.  
You'll see my smile looks out of place.  
If you look closer,  
It's easy to trace the tracks of my tears.

I need you, I need you.  
Outside I'm masqueradin',  
'cause inside my hope is fading.  
Like a clown since you put me down,  
And my smile is my makeup I wear since my break up with you.

So take a good look at my face.  
You'll see my smile looks out of place.  
If you look closer,  
It's easy to trace the tracks of my tears.

Oh, just take a good look at my face.  
You'll see my smile looks out of place.  
If you look closer,  
It's easy to trace the tracks of my tears.
