To Know Him Is to Love Him

Dolly Parton

To know know know him is to love love him Just to see him smile makes my life worthwhile To know know know him is to love love love him And I do

I'll be good to him, I'll bring love to him Everyone says there'll come a day when I'll walk alongside of h im Yes just to know him is to love love love him And I do

Why can't he see, how blind can he be Someday he will see that he was meant for me, oh

To know know how him is to love love him Just to see him smile makes my life worthwhile To know know know him is to love love love him And I do
