

Train, Train

Dolly Parton

Train, train
Gonna take him on out of this town
Train, train
Gonna take him on out of this town
Yeah, that man I'm in love with
Lord, he's Memphis bound
He's leavin' here
Like a raggedy old coat
Oh, he's leavin' me
That no good so-and-so
Yeah, that man I'm in love with
Lord, he wants to go
Let him go

Good-bye, good-bye
I'll find myself another man
Good-bye, good-bye
I'll find myself another man
You take that night train to Memphis
Me, I'll make new plans
Take that night train to Memphis
Oh leave while you can
