## You'll Always Be Special to Me

## **Dolly Parton**

Mm to you I may never be more than a friend but you'll always be special to me

To you I may never be closer than I am but you'll always be spe cial to me

Maybe I set my sights too high to be real

I may be wrong but love is strong and I can't hide how I feel To you I may never be more closer than I am but you'll always be special to me

Maybe I set my sights too high to be real
But love is strong I may be wrong and I can't hide how I feel
To you I may never be more closer than I am but you'll always b
e special to me
