

Daffodil Lament

Dolores O'Riordan

Holding on that's what I do
since I met you
And it won't be long, would you notice
If I left you
And it's fine for some 'cause you're not the one

All night long, I laid on my pillow
These things are wrong I can't sleep here
So lonely, so lonely

I have decided to leave you forever
I have decided to start things from here
Thunder and lightning won't change what I'm feeling
And the daffodils look lovely today

Oh in your eyes I can see the disguise
Oh in your eyes I can see the dismay
Has anyone seen lightning
Has anyone looked lovely

And the daffodils looked lovely today
Looked lovely
