

I Want You

Dolores O'Riordan

I'll do whatever you want me to do
I'll go wherever you want me to go
I'll wait forever I won't let you go

Don't think ill ever get over you
Its now or never you must come through
It's now or never
I want you
Gonna live without you
I'm gonna live without you
I'm gonna live without you
without you...

I'll wait forever I have to let go
I'll wait forever I must let you know
That I will never forget you
I'm gonna live without you
I'm gonna live without you
Gonna live without you
without you...

Don't waste time
Don't waste time

I'll do whatever you want me to do
I'll go wherever you want me to go
I'll wait forever I wont let you go

Don't think ill ever get over you
Its now or never you must come through
And I will never, Forget you
I'm gonna live without you
I'm gonna live without you
I'm gonna live without you
without you...
