

## Stay With Me

Dolores O'Riordan

I woke up this morning  
And I walked down to the sea  
I sat there on the long grass  
Just staring at the sea

Counting all my blessing  
And everything that you gave to me  
Why is this complicated?  
Why can't you stay with me?

Stay with me  
Won't you stay  
Stay with me  
Won't you stay with me  
Stay with me  
Stay with me  
Stay with me  
Stay with me  
Stay with me

I just like to hold on  
To all the magic memories  
I dread this place without you  
Don't leave I'm begging please

Holding back the memories  
Holding back the year  
Holding back the memories  
Holding back the tears

Stay with me  
Won't you stay  
Stay with me  
Won't you stay with me  
Stay with me  
Stay with me  
Stay with me  
Stay with me  
Stay with me
