

World Gone Crazy

Domain

It's a strange life that we're livin'
But we live it once again
It's a freakshow that is rulin'
All of our lives - preaching sin

What do they do
What do they plan
How can we stop this madness

Chaos and the earth on fire
Truth set on fire - all of our hopes wasted
Who's right with a flaming anger
Who's wrong with a heart in anger
World gone crazy

It's a wasteland - they're creatin'
Built on hunger from within
It's a hunger fed with power
Evil power - money and sin

What do they do
What do they think
How can we stop this nightmare

Chaos and the earth on fire
Truth set on fire - all of our hopes wasted
Who's right with a flaming anger
Who's wrong with a heart in anger
World gone crazy
