

Last Of The Dragonlords

Domine

I hear The Storm calling my name
The ancient call of the blood in my veins
My father's voice screams from the grave
It's the sign that my fate is at hand
These ancient halls have seen Emperors born, rule and die
From my Ruby Throne I rise when it's time to fulfil my destiny

Last Of The Dragonlords of Melnibone
Born to rule 'til the End of Time

Last Of The Dragonlords of Melnibone
Born to rule the Kingdom where Mighty Dragons fly so high
