

# One Feeling

Dommin

Keep on thinking everybody's against you  
But not me. I want nothing to do  
With the war going on inside me  
I just want peace.

'Cause I have  
One feeling, that's "dying"  
Keeps telling me I'm ready to go  
One feeling inside you  
Keeps telling me I'm ready to go

You can waste all the time that you want to  
But it's not free, and it's following you  
To the next thing that you choose to lose  
But not me.

'Cause I have one  
feeling now.  
Turn me around

'Cause I have  
One feeling, that's "dying"  
Keeps telling me I'm ready to go  
One feeling inside you  
Keeps telling me I'm ready to go
