

Dreamboy

Don Broco

Shes the girl, shes the kinda girl you want
The kinda girl you dream about
I'm the boy I'm the kinda boy you want
The kinda boy you dream about

And when she blush she gives away a little too much

Keep me round

Its not wrong
To give into your needs
Its not wrong
If you can keep a secret
Its not wrong
I'm the one you dream about

Shes the girl, shes the kinda girl you want
The kinda girl you dream about
I'm the boy I'm the kinda boy you want
The kinda boy you dream about

And when we touch, almost like we're touching too much

If only this was real, only this was real
We could make this real, so real

Its not wrong
To give into your needs
Its not wrong
Give in to me
