

You Got It Girl

Don Broco

You made plans, stick to them
See what happens, we were happy we were happy now
It's just too cold to be hanging me out left to drip dry you were hanging me
Out on the line

You got it you got it girl
You got it you got it girl
You got it you got it girl

You want an old house and a new car
Free shop link stars and stability ability,
To be some girl that your selling me out as
I'm just getting started your selling me out

I said you got it you got it girl
You got it you got it girl
You got it you got it girl

When the suns out we pull the blinds out
To hide away the shade it's guaranteed to
Save this bet, keep the sun shine well
Keep the good times, take ma hand the sun
Has promised we will never say
You twist ma future wrapped around your little finger
You pay my future you create the perfect picture
Now the suns out a guess youve died out
And you know you'll take me with you

You got it you got it girl
You got it you got it girl
You got it you got it girl

When the suns out we pull the blinds out
To hide away the shade it's guaranteed to
Save this bet, keep the sun shine well
Keep the good times, take ma hand the sun
Has promised we will never say
You twist ma future wrapped around your little finger
You pay my future you create the perfect picture
Now the suns out a guess youve died out
And you know you'll take me with you

When the suns out we pull the blinds out
To hide away the shade it's guaranteed to
Save this bet, keep the sun shine well
Keep the good times, take ma hand the sun
